Dear Bruce,

Firstly, I must thank you for the customer service you and your team provided in ensuring the swift and successful delivery of our Dryrainge to us in Marbella, Spain.

The academy here in Marbella is my first and, along with being based at the 6-star Villa Padierna Golf Resort, it is very important that all our equipment and affiliations are with high quality, reputable brands in keeping with the high standards of the resort and myself.

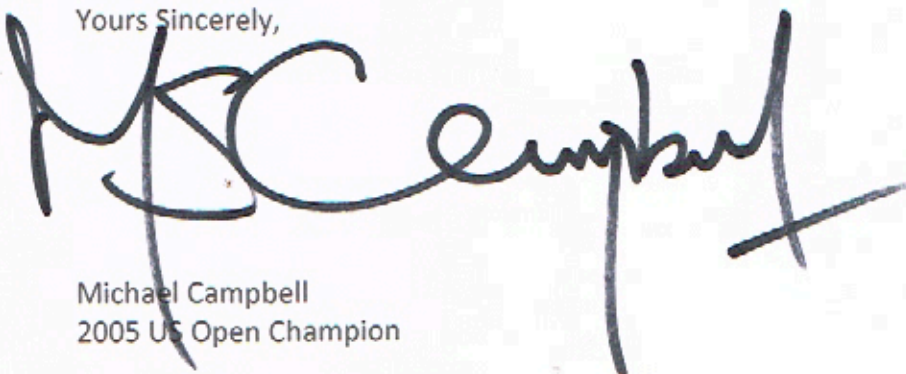

My Academy Director Steven Palmer recommended Dryrainge to me previous to our contact as he had previously had very positive experiences in using the product. Now, having seen the excellent build quality, ease of set up and versatility of the product, I know I have made the right choice.

We are now able to offer a service to our clients that allow comfortable practice and coaching sessions in all weather conditions. No longer are rain or intense heat factors in our ability to deliver exceptional customer service to our clients. Now, after taking several bookings during the midday heat and rainy days where previously we wouldn't have been able to, the Dryrainge has already paid for itself.

Also, with the addition of this easily moveable unit, we are the only facility in the area where clients can practice under cover from grass, a rare treat and unique selling point in our generation of revenue.

I would recommend Dryrainge to any practice facility, for it would be one of their best assets.

Yours Sincerely,

A handwritten signature in black ink, appearing to read 'M Campbell', with a long horizontal stroke extending to the right.
